Caring for our communities

At PeerMont we firmly believe in improving the well-being of communities in which each of our casinos, hotels and resorts operate. This is achieved by the continual provision of financial assistance, skills training and investment support through the various PeerMont Trusts and other Corporate Social Investment and Responsibility initiatives focussed within four designated pillars - namely education, youth development, entrepreneurial enrichment and environmental enrichment.

One of our most exciting projects is the PeerMont School Support Programme (PSSP), a five year, R40 million programme, to create and support centres of excellence around seven high schools and over 19 feeder junior schools in the Ekurhuleni and Sedibeng areas.
