**EMPERORS  
PALACE**  
THE PALACE OF DREAMS

**Rush to Emperors Palace for a performance of a lifetime**

*Superstar Jennifer Rush heads for South African shores with a special performance at Emperors Palace, Gauteng.*

Jennifer Rush is one of pop music's most successful vocal artists of the last three decades and boasts a phenomenal voice with major hit songs such as the *Power of Love* and *Ring of Ice*. Fans will be able to see her live in action for two performances only at the Theatre of Marcellus on 3 and 4 May.

The New York singer began her career in the mid 80's when her single *25 Lovers* was play-listed on numerous radio stations across Europe and became her first international hit. Accompanied by her next hit single, the hugely recognizable *Ring of Ice*, Jennifer Rush exceeded all expectations and remained on the German Top 75 for over 100 weeks. Her most famous song, *Power of Love*, was released and marked the birth of "the love song of the decade". The timeless ballad topped the charts from Scandinavia to South Africa, reached the Top 10 in 16 countries, entered the US Billboard Charts and was listed in the Guinness Book of Records as "the best-selling single by a female solo artist in the history of British pop music". The record-breaking song took the world by storm, sold millions and became Jennifer's big breakthrough onto the international scene.

She believes that her debut South African performances are a dream come true and to celebrate this Jennifer will also be accompanied by special guests, the legendary Drakensberg Boys Choir, who will assist the superstar in turning her exclusive performances into a memorable and epic event.
