Mondazur Resort Hotel, the ultimate wedding destination

PeerMont Mondazur Resort Hotel at San Lameer on the South Coast of Kwa-Zulu Natal is the perfect wedding venue offering superior luxury and comfort. Situated on the lagoon of San Lameer and just under 2 hours drive from King Shaka International Airport, the resort is one of the most sought after and secure wedding destinations in South Africa, famous for spectacular weather, splendid beauty and panoramic views. Mondazur offers the bridal couple a breathtaking venue for all their wedding and honeymoon needs.

Ultimate wedding luxury

The luxurious hotel overlooking the lagoon and the sparkling pool delivers the perfect location for an intimate wedding. The bridal couple can get married outside on the manicured lawns of the hotel, overlooking the picturesque lagoon; on Marina Beach which is one of the prestigious blue flag beaches on the South Coast; or choose a romantic draped and candlelit venue within the hotel for their ceremony.

“Mondazur hotel excels in the three essential ingredients for a stress free, romantic and enjoyable wedding - superb cuisine, impeccable service and an elegant atmosphere,” says Elmare Kotze, General Manager at Mondazur.

Wedding guests have a variety of accommodation choices including eight elegantly appointed Classic rooms, or a selection of Deluxe and Superior rooms, and a gorgeous suite for the honeymoon couple. Draped and luxurious, any of the Mondazur rooms will envelope the guests in an Indian Ocean dream.

Fine dining in exotic surroundings

The Lagoon Grill and Bar at Mondazur overlooks the lagoon and the pool serving exquisite, local seafood and á lá carte cuisine which can be catered to suit any wedding theme or design. The

restaurant also extends to the pool deck where guests can enjoy a sparkling reception with tropical cocktails, listening to the calls of indigenous birds that inhabit the nearby vegetation.

Sun, sand and sea

The Resort is only one kilometre away from Marina beach that borders the estate. “The Marina beach is beautiful and sandy with an adjacent tidal pool. It is one of the country’s few beaches with the distinctive “Blue Flag” status which is an international annual award only given to beaches that meet excellence in safety, amenities, cleanliness and environmental standards,” says Kotze.

Whilst the bride and her bridesmaids get ready for the big day, the groom and his groomsmen can enjoy the resort’s entertainment activities including the spectacular 18-hole championship golf course, a machie golf course, refreshing swimming pools, floodlit tennis courts and a squash court.

“The championship golf course lies at the heart of the estate’s magnificent domain and as the fairways and greens are situated amongst pristine coastal flora and the resort villas. It has an interesting blend of holes, an abundance of water and conservative playing routes for those just starting out. After a game of golf, guests can relax in the elegant country club which overlooks the greens,” says Kotze. Wedding guests can also enjoy a network of birding nature walks crisscrossing the resort, with over 200 indigenous birds choosing Mondazur as their nesting site.

4-star magic

“We strive to provide our guests with a hassle free wedding in an intimate setting ensuring their special day is one they never forget. With our focus on providing exceptional service and 4-star luxury we ensure that the magic of Mondazur leaves all our guests with memories of glittering waters, tropical landscapes and good times.” says Kotze.
